METHODIST EPISCOPAL CHURCH.

1892.

New Style 300, Epworth Chapel Organ.

HEIGHT, 59 INCHES, LENGTH, 48 INCHES,
WIDTH, 25 INCHES.

This new and attractive Chapel Organ is First-Class in Quality, Beautiful in Design; Elegant in Finish, yet Medium in Price.

The Back is made in Walnut Panels, nicely finished, the upper panel artistically engraved and the word "Epworth" beautifully wrought in the scroll work. This Organ also has the Mouse and Dust Proof Pedal Covers' which open and close automatically with the opening and closing of the key-board cover -- a good feature in a church organ, which is left alone so much of the time to take care of itself.

OUR TERMS.

When the Epworth is ordered through our preachers in the regular work, we ship direct either to the purchaser or preacher, as desired, allowing instrument to be thoroughly tested before money is sent. We guarantee the instrument to arrive in good order and to be found as represented. If not found so, it may be returned to us at our expense of freight both ways.

Style 600 Case Epworth Parlor Organ.

HEIGHT, 76 INCHES; LENGTH, 48 INCHES;
WIDTH, 22 INCHES.

DESCRIPTION.

Black Walnut; Hand Rubbed; Oil Finish, Beautiful Canopy Top;
Artistic Music Rack; Plush Placques; Engraved Panels.

WEIGHT, BOXED, ABOUT 300 POUNDS

This is our POPULAR STYLE. The beautiful top adds much to its appearance, and, as it can be detached and packed beside the organ the box required for shipping is no larger than if Organ had no top. The Mouse and Dust Proof attachment entirely covers the pedals, closing automatically when keyboard lid is shut; and as the bottom of organ is entirely enclosed with wood, mice, so destructive to the action of organs, are effectually excluded.

The Styles in 600 Case are the best Organs ever sold for the Price.

A discount will be allowed to those who order direct or through their minister. Catalogue free.
